

EMPLOYEE BENEFITS SUMMARY

PLAN YEAR JANUARY-DECEMBER 2010

This sheet is a summary of the benefits provided to City of Frisco employees. Benefits are available to full time employees and regular part time employees (budgeted to work 30 hours or more). Insurance coverage begins on the 1st of the month following 30 eligible days of hire. If there are differences between this information and the plan documents or City Directives, the plan documents and City Directives will govern the administration of benefits. This information does not guarantee any benefits or employment with the City of Frisco.

HEALTH INSURANCE: Effective January 1, 2005, the City of Frisco joined the Public Employee Benefits Cooperative (PEBC) in an effort to offer employees more affordable benefits. Employees can choose from multiple medical and dental plans. Employees may choose to opt out of the medical plan by providing proof that they have coverage elsewhere. There is also a plan provided by VSP Choice for vision. The City pays a significant portion of the cost of medical and dental benefits if the employee chooses to insure dependents. The bi-weekly rates are deducted from 24 paychecks only on a pre-tax basis as follows:

COVERAGE	MEDICAL OPTIONS		DENTAL OPTIONS		VISION
<i>Full-time Employee</i>	EPO (HealthSmart)	PPO (HealthSmart)	HMO (Assurant)	PEB PPO (Delta Dental)	VSP CHOICE PLAN
Employee only	\$20.50	\$13.50	\$2.19	\$3.20	\$2.28
Employee & Spouse	\$183.50	\$170.00	\$3.29	\$6.43	\$4.27
Employee & Child(ren)	\$169.50	\$166.00	\$4.34	\$7.94	\$4.55
Employee & Family	\$320.50	\$303.00	\$5.55	\$10.97	\$7.09

FLEXIBLE SPENDING ACCOUNT PLAN: The Section 125 Flexible Spending Account plan is administered by PayFlex and helps employees save money for health care and dependent care expenses. This benefit allows employees to deduct money from their paychecks for the following:

1. Health care reimbursement for qualified out-of-pocket health care expenses that are not covered by the insurance (i.e. prescription and office visit co-pays, lab fees, glasses, contacts, dental services, over-the-counter products, etc.);
2. Dependent care reimbursement for costs paid to day care and elder care providers.

By electing this benefit, employees are getting a tax savings because the cost of these benefits is deducted before taxes.

SHORT-TERM DISABILITY INSURANCE: This benefit pays 60% of your pre-disability earnings after 31 days of disability occurring only off the job. Sick pay must be used during the first 31 days of disability. Short-term disability benefits end after a maximum of 180 days, at which time long-term disability benefits may begin. Partial disability may also be covered under this policy.

LONG-TERM DISABILITY INSURANCE: The Long-Term Disability benefit percentage is 60% of your prior monthly salary. The elimination period is 180 days of disability due to the same or related sickness/injury.

AD&D AND LIFE INSURANCE: The City of Frisco pays for a Basic Life Insurance policy equal to 1x your annual salary up to a maximum of \$50,000. A Basic Accidental Death & Dismemberment (AD&D) policy is also provided equal to 1x your annual salary up to a maximum of \$50,000. Both of these policies are with Fort Dearborn. The City also pays for a stand-alone AD&D policy of \$100,000 for active and volunteer Police Officers and Firefighters through The Standard Insurance. AD&D insurance provides specified benefits for a covered accidental bodily injury that directly causes dismemberment (i.e. loss of a hand, foot or eye).

TEXAS MUNICIPAL RETIREMENT SYSTEM (TMRS): The City participates in the Texas Municipal Retirement System, which is a qualified tax-deferred retirement plan. You are automatically enrolled as a member of TMRS when you begin working full-time or part-time with benefits. You will have 7% deducted from your paycheck pre-tax, and the City will match member contributions on a 2 to 1 basis. You are vested in TMRS when you earn 5 years of service credit. You are eligible to retire when you are vested and are at least age 60 or if you have 20 years of service credit at any age. In addition, as part of the benefits of the TMRS, the City has elected to include Supplemental Death Benefits which pay your designated beneficiary approximately your current annual salary should you die while employed by the City of Frisco. A Supplemental Death Benefit in the amount of \$7,500 is paid on the death of a retired employee.

RETIREE INSURANCE: The City of Frisco offers insurance to employees upon retirement from the City. Retirees must have been employed by the City for five years and have officially retired with TMRS. Retirees will pay 100% of insurance premiums for themselves and their dependents.

DEFERRED COMPENSATION: The City also makes available a 457 Deferred Compensation Plan through ICMA for employees who want to defer additional pre-tax money for retirement. Employees may enroll in the Deferred Compensation plan at any time.
